# BENEFICIARIES

# DRIVE FOR DREAMS

Drive for Dreams creates life-long opportunities through education for youth in the GTA by engaging kids from at-risk neighbourhoods that have a high level of talent in basketball. For these kids, Drive for Dreams provides its players with rigorous training, approachable and committed role models, and access to high-profile tournaments in North America where they are seen by college coaches and given the potential opportunity to go to top colleges & universities on a scholarship.

Since 2002, more than 850 kids have participated in the overall program. More than 70% of the graduates from our high performance segment have received full ride scholarships and virtually all of the graduates go on to post secondary education. In many instances, we have a profoundly positive impact on their life paths. Many graduates of this program return home to train, coach and mentor; becoming positive role models in their community and making a positive impact on those neighbourhoods.

So ALL Kids Can Play!

# THE TOURNAMENT

A wide-angle photograph of an indoor basketball court. The court floor is polished wood with visible court lines. In the background, a large, translucent wall with a repeating diamond pattern separates the court from the rest of the facility. Several basketball players in blue and white jerseys are positioned on the court. A basketball hoop is visible on the right side. The ceiling is high with exposed metal trusses and numerous stage lights, some of which are illuminated with red and purple light. The overall atmosphere is dramatic and professional.

# OUR HISTORY

The first Bay Street Hoops tournament was held in 1995. With eight law firm teams and less than \$10,000 in proceeds, we never imagined it would get much bigger.

Over the next few years, the tournament grew and teams from all areas of Bay Street were signing up.

It was then that we decided that the tournament should be about more than just basketball. It should also be about giving back to the community.

As we started focus equally on basketball and community, we chose to focus on smaller children and youth charities. We wanted them to be part of the Hoops committee and the tournament.

Today, Bay Street Hoops features close to 50 teams, divided into six men's divisions, a women's division and a co-ed division, representing all skill levels.

# TOURNAMENT OVERVIEW

Through the generous support of our sponsors, each team will be entitled to play in a three-game, full court, 5-on-5 round robin tournament, with experienced referees. Games are expected to last approximately one hour.

The top teams advance to the playoffs with a chance to win a division trophy and fabulous championship prizes. Each team receives 12 jerseys, a guarantee of a minimum of three games played, and free access to our training camp prior to the tournament.

Teams can choose to participate in the division appropriate to their skill levels — see next page for divisional information.
