BENEFICIARIES

DRIVE FOR DREAMS

Drive for Dreams creates life-long opportunities through education for youth in the GTA by engaging kids from at-risk neighbourhoods that have a high level of talent in basketball. For these kids, Drive for Dreams provides its players with rigorous training, approachable and committed role models, and access to high-profile tournaments in North America where they are seen by college coaches and given the potential opportunity to go to top colleges & universities on a scholarship. Since 2002, more

than 1200 kids have participated in the overall program. More than 70% of the graduates from our high performance segment have received full ride scholarships and virtually all of the graduates go on to post secondary education. In many instances we have a profoundly positive impact on their life paths. Many graduates of this program return home to train, coach and mentor; becoming positive role models in their community and making a positive impact on those neighbourhoods.

So ALL Kids Can Play!

KIDSPORT TORONTO

We envision a Toronto where all children have the opportunity to participate in sport.

KidSport supports children who need financial assistance with sport registration fees and equipment costs. We believe that the power of sport participation promotes the development

of children's social, mental and physical well-being. Through increasing access to quality sport programs, KidSport strengthens the community of Toronto.

THE TOURNAMENT

A wide-angle photograph of an indoor basketball court. The court is illuminated by a mix of red and yellow lights, creating a vibrant atmosphere. The walls are covered in a large, repeating pattern of stylized, colorful shapes. In the foreground, several people are visible on the court, some standing and some sitting on the floor. A basketball hoop is visible on the right side of the frame. The ceiling is high and features a complex network of pipes and lighting fixtures.

OUR HISTORY

Planning for the first Bay Street Hoops tournament began in 1994. With eight law firm teams and less than \$10,000 in proceeds, we never imagined it would get much bigger.

Over the next few years, the tournament grew and teams from all areas of Bay Street were signing up.

It was then that we decided that the tournament should be about more than just basketball. It should also be about giving back to the community.

As we started to focus equally on basketball and community, we chose to prioritize on smaller children and youth charities. We wanted them to be part of the Hoops committee and the tournament.

Today, Bay Street Hoops features 56 teams, divided into seven men's, women's and co-ed divisions, representing all skill levels.

TOURNAMENT OVERVIEW

Through the generous support of our sponsors, each team will be entitled to play in a three-game, full court, five-on-five round robin tournament, with experienced referees. Games are expected to last approximately one hour.

The top teams advance to the playoffs with a chance to win a divisional trophy. Each team receives 12 jerseys, a guarantee of a minimum of three games played, and free access to our training camp prior to the tournament.

Teams can choose to participate in the division appropriate to their skill levels — see next page for divisional information.
